JUSTICE

HOME SCHOOL VALUES

This term we will be focussing in school on the value JUSTICE. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER
about Justice

Justice means more than making things 'fair'.
In order for people to live together well in a **just** community, it is important to have rules or laws that everybody sticks to. Imagine if there were no rules for people driving cars on the road!

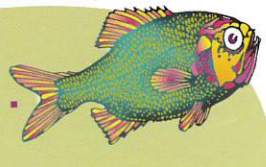

As a family you may want to talk about:

- why it is important to have rules and laws
- rules or laws that you don't think are **just** (or fair)
- family rules that you think are important

The Story of Jonah

Some folk always seem to be arguing or moaning and groaning. Sometimes they moan about the weather, sometimes they moan about their family, and sometimes they just moan. In fact, they are so busy moaning about EVERYTHING that they forget to be thankful for ANYTHING.

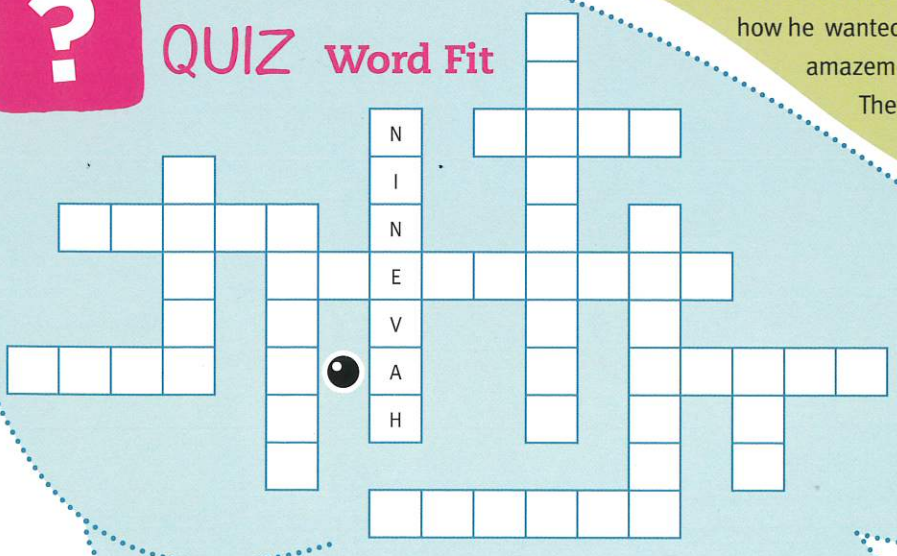

Jonah was just like that! He moaned all the time. So when God asked him to go to Ninevah and tell the people there that he was angry about their stealing, lying, fighting and their wicked ways, of course Jonah moaned and groaned. "Not Ninevah, please! Anywhere but Ninevah! We have never got on with that nasty bunch. Please Lord, send someone else." And just in case God asked him again Jonah, quick as his legs could carry him, ran to the dock and asked the captain of the nearest boat to take him to the furthest place from Ninevah. The nearest boat was the Jolly Dragon and her captain was called Wise Captain Silas. The Jolly Dragon set sail on a calm sea under a clear blue sky but within a day found herself caught up in a fierce and frightening storm. Captain Silas knew immediately that something was not right. He went to find his passenger, who, surprise, surprise, was below deck moaning to one of the sailors.
"It's my fault," groaned Jonah. "Throw me into the sea and the storm will blow over." Wise Captain Silas knew Jonah was right and so to save his ship and all the crew, gave orders to toss Jonah overboard that minute. A huge fish saw Jonah sinking slowly to the bottom of the sea, and he opened his great mouth wide, and swallowed him whole!

Jonah had only just enough time to recover from the shock when he found himself shooting through the air and onto a beach very near to Ninevah. The great fish had spat him out and swum away.

Even Jonah knew now that there was no way out. He picked himself up, shook off the seaweed and walked slowly into the centre of the city. There he did what God had told him at the start and explained to the people of Ninevah that God was sad about their **unjust** behaviour and how he wanted them to change their ways. To Jonah's amazement, that's exactly what they did. They fasted, they prayed for God's forgiveness and even thanked him for sending Jonah.

FASCINATING FACTS

The Nobel Peace Prize

Alfred Nobel was a 19th century Swedish inventor and engineer. He invented dynamite, which was used to destroy many things! Perhaps because of this, in his will, Nobel left money and instructions to award five special prizes each year. He said that one of these, the Nobel **Peace** Prize, should be given to a person, or group of people, who had done the most or best work to promote **peace** between nations.

- The Nobel **Peace** Prize is presented in Oslo on 10th December each year by the King of Norway
- The winner is given a diploma, a medal and over 1 million US dollars to carry on their work

FAMILY FOCUS

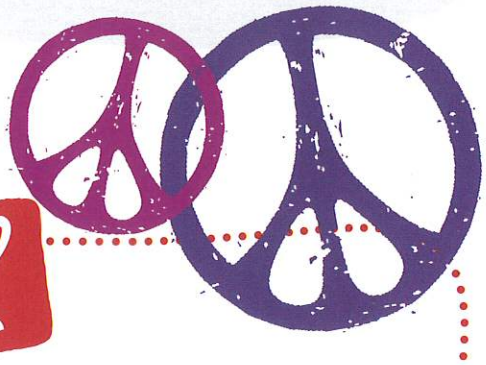

Becoming Peacemakers

'Peer Mediation' is a scheme often used in schools to train teams of children who volunteer to help settle disputes in the playground. Some of the guidelines in the training include the following strategies:

- Listen carefully to both sides
- No interrupting
- No accusations
- List problems to be sorted out and then work through them

How do you resolve disagreements in your household? List one 'top tip' from every member of the family.

HALL OF FAME

Rigoberta Menchu

Very few people had heard of Rigoberta Menchu when it was announced that she had won the Nobel **Peace** Prize in 1992. However, Rigoberta was one of the bravest women ever to have been awarded this prestigious prize. She was born in 1959 into a Mayan Indian family who lived and worked in Guatemala. The Mayan people were treated cruelly by the government and the army in Guatemala. The Menchu family were Christians and they believed it was their duty to fight against such injustice. The family learnt Spanish from the local priests so they could stand up for the rights of their people. One by one the members of the family were killed in the most dreadful way by the government soldiers, first Rigoberta's 16 year old brother, then her father because he was a union leader and then finally her mother. Rigoberta knew she would be next, so she escaped to Mexico where she wrote her life story and made a film about the bad things happening in Guatemala. Rigoberta continued to stand up against injustice and for more than twenty years worked as a UNESCO Goodwill Ambassador to promote a culture of peace and protect the rights of people to live in their own country.
