PRAYER ACTIVITY

Christmas Thanks

Equipment

Christmas tree, red paper baubles, hole punch, pens to write on baubles, string to hang baubles.

Set up

Set up the Christmas tree. Ask pupils to sit around the Christmas tree and reflect on the past 12 months – what three things are they thankful for? Then, encourage pupils to write these things onto the paper baubles and hang them on the tree.

Instructions

Christmas is a time where many people see their family and friends. It's also a time to think about the year that is ending and the year ahead.

What three things are you thankful for that have happened since last Christmas. It may be passing an exam, getting into another school, winning a sporting event, making new friends, etc.

If you want to, you can write these three things onto a Christmas bauble and then hang it on the tree.
