PRAYER ACTIVITY

I have a dream

• Equipment

Have a giant dream bubble shape, you could draw or paint this onto a big piece of paper or white sheet.

Post it notes & pens

• Set up

You could do this on a wall, on tables or even on the floor. Just make sure there is space to read and take time.

• Instructions

Martin Luther King Jr had a dream of unity, love & equality.

He made a difference, he was the change he wanted to see, he practised what he preached, he was bold enough to share his heart & dream, he marched with people and spoke love and kindness.

Do you have a dream for how the world could be different? If you could be world president, what change would you make?

Write your hope/prayer on a post it note and stick it onto the giant ‘dream bubble’.
